Interactions Of Highly Energetic Tin Ions With Plasma-Facing Materials In EUV Light Source

Keywords

tin ions
EUV light source
plasma facing material

Topics

Interaction with Clusters, Surfaces and Solids

Primary authors: Mr RAI, S (University of Groningen); Mr DEUZEMAN, M J (University of Groningen); Dr VERSOLATO, O O (ARCNL); Prof. HOEKSTRA, R (University of Groningen)

Presenter: Mr RAI, S (University of Groningen)
