

Contribution ID: 183

Type: Poster

Influence of Electron Correlations on the Electron Impact Excitation of the 4 1P1 State of Zinc Atom

Keywords

Electron impact excitation; Cross sections; Stokes parameter

Topics

Collisions with Electrons, Ions, Atoms and Molecules

Primary authors: Mrs CHENG, Xiaoshu (Northwest Normal University, Lanzhou 730070, China); Prof. XIE, Luyou (Northwest Normal University, Lanzhou 730070, China)

Presenter: Prof. XIE, Luyou (Northwest Normal University, Lanzhou 730070, China)
