

Contribution ID: 11

Type: **Poster**

Open Shell Ions Mobility in Cooled Helium Gas

Keywords

Interaction potential, Quantum-mechanical transport cross section, Mobility

Topics

Collisions with Electrons, Ions, Atoms and Molecules

Primary author: Dr AISSAOUI, Lamia (Physics Department, Batna 1 University, Algeria)

Co-author: Prof. BOULEDROUA, Moncef (Physics Department, Badji Mokhtar University, Annaba, Algeria)

Presenter: Dr AISSAOUI, Lamia (Physics Department, Batna 1 University, Algeria)
