

Contribution ID: 227

Type: Poster

Stark Effect, Multiphoton and Autoionization Resonances in Spectra of Multicharged Ions in a Strong Electromagnetic Field

Keywords

Multicharged Ions
Stark Effect
Multiphoton Resonances

Topics

Strong Field and Ultrafast Processes

Primary authors: Prof. GLUSHKOV, Alexander (Odessa State Environmental University); Dr KUZNETSOVA, Anna (Odessa State Environmental University); Dr IGNATENKO, Anna (Odessa State Environmental University); Dr TERNOVSKY, Valentin (Odessa State Environmental University)

Presenter: Prof. GLUSHKOV, Alexander (Odessa State Environmental University)
