## Computing Radiative Spectroscopic Parameters for Li-like Multicharged Ions within Model Potential Method and Energy Approach

### Keywords

Radiative Parameters  
Li-like Multicharged Ions  
Energy Approach

### Topics

Fundamental Aspects, Structure and Spectroscopy

**Primary authors:** Mr TERNOVSKY, Eugeny (Odessa State Environmental University); Dr TERNOVSKY, Valentin (Odessa State Environmental University); Mr BUYADZHI, Vasily (Odessa State Environmental University); Prof. KHETSELIUS, Olga (Odessa State Environmental University)

**Presenter:** Mr TERNOVSKY, Eugeny (Odessa State Environmental University)
