## Two-electron one-photon transitions in He-like Ar

### Keywords

Radiative transition  
electron correlation  
MCDF

### Topics

Fundamental Aspects, Structure and Spectroscopy

**Primary authors:** Ms CAO, Ming-Xin (Northwest Normal University); Dr DING, Xiao-bin (Northwest Normal University); Prof. SU, Maogen (Northwest Normal University); Prof. DONG, Chenzhong (Northwest Normal University)

**Presenter:** Prof. SU, Maogen (Northwest Normal University)
