## **Radiation Hydrodynamic Characteristics of Highly Charged Ions in Laser-Produced Plasmas**

### **Keywords**

Laser produced plasma, Highly Charged Ions, Radiation Hydrodynamic

### **Topics**

Fundamental Aspects, Structure and Spectroscopy

**Primary author:** Prof. SU, Maogen (Northwest Normal University)

**Co-authors:** Dr MIN, Qi (Northwest Normal University); Dr CAO, Shiquan (Northwest Normal University); Dr SUN, Duixiong (Northwest Normal University); Prof. O'SULLIVAN, Gerry (University College Dublin); Prof. DONG, Chenzhong (Northwest Normal University)

**Presenter:** Prof. SU, Maogen (Northwest Normal University)
