## Calculations of the Autoionization States of He- and Li-like Ions by the Complex Scaling method

### Keywords

He-like and Li-like Ions, Auger Resonances, Complex Scaling method

### Topics

Fundamental Aspects, Structure and Spectroscopy

**Primary author:** Prof. TUPITSYN, Ilya (St. Petersburg State University, Physics faculty)

**Co-authors:** Mr IVANOV, Victor; Prof. SHABAEV, Vladimir (SPbU)

**Presenter:** Prof. TUPITSYN, Ilya (St. Petersburg State University, Physics faculty)
