Electron Emission In Collisions Between Dressed Ions And Multielectronic Targets: The Role Of The Projectile Distortion

Keywords

ionization
dressed-projectiles
multielectronic-targets
distorted-wave

Topics

Collisions with Electrons, Ions, Atoms and Molecules

Primary author: Dr MONTI, Juan Manuel (Instituto de Física Rosario - CONICET-UNR)

Co-authors: QUINTO, Michele (Instituto de Física Rosario (IFIR/CONICET)); Dr RIVAROLA, Roberto (Instituto de Física Rosario (IFIR/CONICET), Rosario, Argentina)

Presenter: Dr MONTI, Juan Manuel (Instituto de Física Rosario - CONICET-UNR)
