

Contribution ID: 26

Type: **Poster**

The experimental investigation of sequential dissociation of OCS induced by Ne⁴⁺ ion impact

Keywords

Sequential Dissociation, Ion impact, KER, OCS

Topics

Collisions with Electrons, Ions, Atoms and Molecules

Primary authors: Dr YAN, Shuncheng (Institute of Modern Physics, Chinese Academy of Sciences); Mrs SHEN, Lili' (Institute of Modern Physics, Chinese Academy of Sciences); Prof. MA, Xinwen (Institute of Modern Physics, Chinese Academy of Sciences); Dr ZHU, Xiaolong (Institute of Modern Physics, Chinese Academy of Sciences); Dr FENG, Wentian (Institute of Modern Physics, Chinese Academy of Sciences); Mrs ZHAO, Dongmei (Institute of Modern Physics, Chinese Academy of Sciences)

Presenter: Dr YAN, Shuncheng (Institute of Modern Physics, Chinese Academy of Sciences)
